## As a Consignor with Just Between Friends, please read & initial the following guidelines:

Please initial below that you have read, understand and agree to the stated guidelines for consigning with JBF.

I understand and agree that Just Between Friends (JBF) is not responsible to reimburse me in the event of fire, loss, acts of God, theft, or damage to my sale items. I trust JBF will do its best to ensure the safety of my items, and I understand there is NO obligation to pay me for items that are not sold or returned to me at the conclusion of the sale.

I understand that I will receive **60%** of the selling price for my items, and that a **\$20 consignor fee** will be deducted from my check for my participation in the sale if I did not purchase my ticket ahead of time.

I have read and followed the sale guidelines/standards as laid out on the website and understand the sale owner has the final say in what is accepted into the sale. If unaccepted items are left at pick up, I understand that they will be donated or discarded at the discretion of the sale owner and will not be held for me.

I am the only person selling under this consignor number. I verify that I am not tagging for multiple consignors under one consignor number.

I have checked the Consumer Product Safety Commission website (CPSC.com) and to the best of my knowledge, I am not consigning any recalled items. If I DID have a recalled item, I either removed it from my inventory, or fixed it according to product specifications. If bringing a car seat or crib, I have also brought the corresponding waiver and attached it to my item.

I understand that any unsold items at the end of the sale that have been marked with "Donate" will be pulled to the charity donation area BEFORE pick up. They will NOT be sorted with my things, nor will I be able to reclaim them back once they are in the donation area. I understand donated items may be sold for 75% during sort.

I know when consignor pick up is. I understand that it is my responsibility to come during this posted time, or send someone in my place and that ALL ITEMS NOT PICKED UP will be immediately donated to the charity. I understand that there will be NO exceptions made or items held for me after pickup ends.

**COVID-19 Safety.** I acknowledge the contagious nature of diseases including but not limited to Covid-19 and that there is an unknown risk of exposure through contact with contaminated objects and personal contact. By participating in JBF in any capacity I voluntarily assume the risk of possible exposure. I acknowledge that I have a responsibility not to participate in any capacity if myself or a household member are sick or running a fever. I agree to comply with all safety measures established by JBF and abide by state laws regarding Covid-19 restrictions. I hereby release and hold harmless JBF, JBF Franchisee, and their respective employees, officers and vendors from and against all claims of damages and liability resulting from any exposure.
